THOMAS M. GREEN

Passes Away Thursday Evening at His Home in Danville

Thomas M. Green, aged 67, author, editor and historian, died at his home in Danville of acute diabetes at an early hour Thursday evening.

He was Editor of The Franklin Commonwealth from 1857 to 1860, after which he became Editor of The Maysville Eagle from 1860 to 1872, moving to Danville 1893, where he had since resided and been connected with the United States Revenue Service for the past eleven years.

He was a member of the famous Center College class of 1855 in which W. C. P. Breckinridge, John Young Brown, Thomas T. Crittenden, Thomas L. Morrow, Boyd Winchester and others graduated.

He was the author of "The Spanish Conspiracy," a book which created widespread attention throughout the country; the history of the Marshall family and several other important publications, and for years had been a widely known newspaper correspondent.

About fifteen years ago he wrote a series of articles in The Cincinnati Commercial Gazette regarding an alleged political ring in Anderson county. As a result of these articles he was attacked on the streets of Lexington by Senator Lew Baldwin of Jessamine county, and in the fight which ensued Baldwin was killed.

The fight was on the occasion of the unveiling of the John C. Breckinridge monument on Cheapside, Lexington.

Senator J. C. S. Blackburn was the orator of the day, and had just finished his eulogy when the report of revolvers was heard in front of the Phoenix Hotel. When the large crowd had been dispersed by the police Senator Baldwin lay dead on the street, shot through the heart.

Colonel Green was unhurt, but Colonel W. H. Polk, who attempted to prevent the fight, was shot through the hand. Colonel Green was acquitted on the plea of self-defense.

He was twice married, first to Miss Ann E. Butler of Louisville and subsequently to Miss Pattie Craig of Danville, who together with four daughters and five sons survive him.

New Domestic Sewing Machines at Greenrich's.

Mr. John Worthington, one of Mason's best citizens, living on the Lexington pike a short distance from the city, was operated on at the Good Samaritan Hospital in Cincinnati yesterday morning.

JAMES N. NOLIN.

Mr. Daniel Perrine yesterday afternoon received a telegram announcing the death at 1:45 of Mr. James N. Nolin in Richmond, Va.

Mr. Nolin, with his estimable family, was a former well-known Maysville resident, leaving this city for Richmond some years since.

He was about 70 years of age, and had been in feeble health for a long time.

Surviving him are four daughters—Misses Margaret, Ethel, Lena and Lucille Nolin.

His wife died in Richmond about two years ago and her remains were brought here for interment.

As yet it has not been learned as to the interment of Mr. Nolin, but it is presumed the remains will be laid to rest in Maysville Cemetery.

How to Ward Off an Attack of Rheumatism.

"For years when spring time came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald of Man, Logan county, West Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in my house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." Fancy CHEVIOTS!

A few years ago Cheviots were distinctly a Scotch fabric without the many handsome effects seen today. Vast improvements have been made by French and German manufacturers. This season's new effects are produced by knotted yards of bright lustrous mohair which have transformed a common place mixture into a fabric that rivals in beauty the very handsomest dress goods. Every piece is sponged and shrunk so utility is linked to loveliness. Prices 50c, 75c, \$1.

Umbrella Days.

April showers are due and forewarned is to have the umbrella ready to take into action. Here are the umbrellas for men and women and a sharp saving goes with them.

Pope Pius is a moderate smoker. Italian Priests, even of the humbler ranks, do not consider it clerical decorum to smoke in public, and Cardinal Sarto has always observed this rule, but in private he enjoys a good cigar. Like Pius IX., the new Pope is musically inclined. Pius IX. was a proficient player on the piano and organ and sang the mass in a rich barytone voice. Pius X. has similar accomplishments.

At Chingford, in Essex, an estate is held by a very curious condition. Whenever it passes into new hands the owner, with his wife, man servant and maid servant, comes on horseback to the parsonage and pays his homage by blowing three blasts upon a horn. He carries a hawk upon his wrist. His servant has a greyhound in a slip, both for the use of the Rector for that day. He receives a chicken for the hawk, a peck of oats for his horse and a loaf of bread for his greyhound. After dinner the owner blows three more blasts and then, with his party, withdraws from the Rectory.

Are You a Dyspeptic?

If you are a dyspeptic you owe it to yourself and your friends to get well. Dyspepsia annoys the dyspeptic's friends because his disease sours his disposition as well as his stomach. Kodol Dyspepsia Cure will not only cure dyspepsia, indigestion and sour stomach, but this palatable, reconstructive tonic digests the whole digestive apparatus and sweetens the life as well as the stomach. When you take Kodol Dyspepsia Cure the food you eat is enjoyed. It is digested, assimilated and its nutrient properties appropriated by the blood and tissues. Health is the result. Sold by J. Jas. Wood & Son, Druggists.

HAYSWOOD SEMINARY

Neat Catalogue Setting Forth Its Many Desirable Features

The attention of the public, and especially those interested in education, is called to the neat, tasteful and complete catalogue of Hayswood Seminary for 1904, published by the Davis Printing House of Maysville. The type is clear and the pamphlet is artistic in form, and we take pleasure in exhibiting our best work in the interest of this institution.

The main features set forth in the catalogue are the two complete courses of study, either of which leads to a diploma, one looking to the higher education of women and the other awarded for a complete Seminary course.

Attention is also called to the complete course for entrance to all higher Colleges.

The musical department, which has been in such competent hands for so many years, will continue under the same tutelage, to be headquarters for musical instruction to the people of Maysville and Mason county. The course includes the study of the best musical composers, and the facility offered by Hayswood for the study of music cannot be excelled outside of the best Musical Conservatories of our large cities.

The success of the Primary Department, as shown by its numbers, is due not only to the teachers who are especially prepared for their work and have had years of experience, but to the ample playground and the healthful situation of schoolrooms erected for the purpose. Air and sunshine are elements the value of which cannot be over-estimated in the school life of the young. The high standard of work in general held up for the securing of a diploma is attested by the small number of pupils graduated from year to year in proportion to the number in attendance.

Maysville should be proud of Hayswood. Its growth has been steady, and as it is now nearing the completion of its most prosperous year, the coming fall will find it better equipped and more amply provided to give an all-round education to the young women of the community than ever.

In thus unqualifiedly indorsing this school this paper is acting for the best educational interests of the community. One of these catalogues will be mailed on application to the Principal, Miss Fannie L. Hays, Maysville, Ky.

THE BLACK DIAMOND

Colonel Albert E. Boone Says Interest in Project Is Reviving

Colonel A. E. Boone of Zanesville is in Cincinnati in the interests of the proposed Black Diamond Railway, projected from Augusta, Ga., to Chicago and Cleveland, O., with Cincinnati, Ky., as the meeting point of the "Y."

This road was originally planned in 1836 by John C. Calhoun, and much money has been spent since then in surveys, but the project has lain dormant since the Panama Canal venture failed.

Colonel Boone says interest in the proposed road has revived since the American Government has taken charge of the building of the Panama Canal, and the promoters of the railroad are becoming active as they see the advantage of such a railroad to the North, when the canal is constructed.

Rheumatism Cured.

Mr. Michael Doran, Youngstown, Ohio, says:

"I suffered for a long time with acute Rheumatism in my knee. I tried all kinds of remedies, including an expensive course of electric treatment, all in vain. At the suggestion of my druggist I took a bottle of Paracamp to try. The effect of its use was magical. I got relief at once and after using three or four bottles believe I am permanently cured. It is a wonderful remedy, and upon my advice a number of my friends have tried Paracamp, and the verdict is unanimous that it is all it is claimed to be. I come of my own accord with this statement because Paracamp is a blessing."

Sincerely,
"MICHAEL DORAN."

Paracamp.

Relieves Instantly Rheumatism, Sore Muscles, Sore Feet and Sore Joints.

Because when applied it opens the pores, allowing the camphor and healing oils to penetrate directly to the seat of the pain and draw out all fever, soreness and inflammation by causing copious sweating. PAINE'S CELERY COMPOUND.

Tunbridge, Vt., Dec. 11, 1903.—"I began taking Paine's Celery Compound in the spring after having spent a year and a half confined to my bed on account of having pneumonia and a bad knee, due to blood trouble. At the time I began taking your medicine I was very nervous and did not want to see any one—only my own folks.

"The doctors all said that there was not anything else they could do for me, and also said they did not think that I would ever be any better, and if I was better I would never be able to walk again.

"A friend of mine was taking Paine's Celery Compound at the time and I thought I would try it. I took several bottles before I saw much improvement. But soon my nervousness left me. I again enjoyed seeing all who called at the house.

"I kept right on gaining until now I call myself VERY WELL AND HEALTHY.

"I had a light attack of the grippe and I took one bottle of Paine's Celery Compound. It helped me to regain my strength.

"I can truly say your medicine has been of great benefit to me."—Anna C. Ballou.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the Bluegrass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." The United States gunboat Nashville and torpedo boat Lawrence are above New Orleans on their way to St. Louis to remain during the Fair.

The Pittsburgh Leader says: "The Hermit is dead." 'The Hermit' of the Ohio river was Samuel Burnell, who for thirty-five years past has been the keeper of the Government beacon lights on the Ohio opposite Brown's Island, near Steubenville. 'The Hermit' was known to every towboat and packet man who has traveled along the Ohio for many years, and was also known to many people who were passengers on the various boats. He was a man who could be depended on, and, rain or shine, cold, sleet or snow, his two lights were always kept burning. The points where the lights kept by 'The Hermit' are located are very important ones to the pilots, and are away from all human habitation, with the exception of the 'Hermitage', as the lonely cabin where Burnell lived is known.

We Offer \$1,000

For a Disease Germ That Liquezone Can't Kill.

On every bottle of Liquezone we publish an offer of \$1,000 for a disease germ that it cannot kill. We do that to convince you that Liquezone does as we claim.

Please note what that means. Any drug that kills germs is a poison, and it cannot be taken internally. Medicine is, therefore, almost helpless in any germ disease. Liquezone alone can kill germs in the body without killing the tissues, too.

Acts Like Oxygen.

Liquezone is the result of a process which, for more than 20 years, has been the constant subject of scientific and chemical research. Its virtues are derived solely from gas, made in large part from the best oxygen producers. By a process requiring immense apparatus and 14 days' time, these gases are made part of the liquid product.

The result is a product that does what oxygen does. Oxygen gas, as you know, is the very source of vitality, the most essential element of life. Liquezone is a vitalizing tonic with which no other known product can compare. But germs are vegetables; and Liquezone, which—like oxygen—is life to an animal, is deadly to vegetable matter.

We Paid \$100,000

For the American rights to Liquezone—the highest price ever paid for similar rights on any scientific discovery.

ery. We did this after testing the product for two years, through physicians and hospitals, in this country and others.

That price was paid because Liquezone does what all the skill in the world cannot do without it. It does in germ diseases that which is impossible with drugs. It carries into the blood a harmless yet powerful germicide, to destroy at once and forever the cause of any germ disease. And no man knows another way to do it.

Liquezone is new in America, and millions who need it don't know of it. For that reason we are spending \$500,000 to give the first bottle free to each of a million sick ones.

Germ Diseases.

These are the known germ diseases. All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indirect and uncertain. Liquezone kills the germs, wherever they are, and the results are inevitable. By destroying the cause of the trouble, it invariably ends the disease, and forever.

Asthma, Abcess—Anemia, Bronchitis, Blood Poison, Bright's Disease, Bowel Troubles, Coughs—Colds, Consumption, Colic—Cramp, Constipation, Catarrh—Cancer, Dysentery—Diarrhea, Dandruff—Dropsy, Hay Fever—Influenza, Kidney Diseases, La Grippe, Leucorrhea, Liver Troubles, Malaria—Neuritis, Many Heart Troubles, Piles—Pneumonia, Pleurisy—Quincy, Rheumatism, Skin Diseases, Scrofula—Syphilis, Stomach Troubles.

Throat Troubles, Tuberculosis, Tumors—Ulcers, Varicose Veins, Gonorrhea—Gleet.

All diseases that begin with fever—all inflammation—all catarrh—all contagious diseases—all the results of impure or poisonous blood. In nervous debility Liquezone acts as a vitalizer, accomplishing what no drugs can do.

50c. Bottle Free.

If you need Liquezone, and have never tried it, please send us this coupon. We will then mail you an order on your local druggist for a full-size bottle, and we will pay your druggist ourselves for it. This is our free gift, made to convince you; to show you what Liquezone is, and what it can do. In justice to yourself, please accept it to-day, for it places you under no obligation whatever. Liquezone costs 50c. and \$1.

You Can Be Cured.
No. 11 Cedar Terrace, Hot Springs, Ark., April 28, 1903.
When I was first married I found that my strength and health were gradually diminishing. I became nervous and irritable, and was in bed a week and sometimes ten days of every month, and had intense bearing down pains. My husband had the best physician for me and I used his medicine for nearly four months, but I gradually grew worse, had less strength, and finally, I was unable to leave my bed at all.
A friend who was calling on me brought me a bottle of Wine of Cardui and was so loud in its praise that I told her that I would take it to please her.
I was surprised and pleased that before I had used the bottle I really felt better, so I kept on using it. Eight bottles brought back my lost health and strength, and I have not had a sick day in six months.
WINE OF CARDUI
Mrs. Finnegan
TREASURER, ST. ANDREW'S SOCIETY.
Mrs. Finnegan had little hope of relief because she knew that every time she had those spells of menstrual suffering with attendant bearing down pains she was weaker. And every month the pain was growing more severe.
But Mrs. Finnegan was cured by Wine of Cardui. She is now so well that there are few women who would not be glad to have the health she has. And any woman who has those dreaded bearing down pains can have the same relief.
You can be free from menstrual irregularities if you take this pure vegetable wine. Why don't you take it when you see what it has done for others? Secure a bottle of Wine of Cardui today.
Your druggist has \$1.00 bottles.
